<https://www.youtube.com/watch?v=Q1rXsF-mXvM&feature=share>

Play game attached and see PowerPoint from Twinkl.

Robot game- you could practise writing each word in a sentence and add the above sounds on the spare cards.

Other ideas for phonics- call out the sounds and ask your child to write it down. Build this up into short words like the ones in the robot game. To extend further your child could write a sentence for the words.

You could practise the sounds in a multi-sensory way. Write in a sand tray, 'paint' with water on the dry path, use rice in a baking tray or flour. See pinterest for other ideas.

Words to practice this week are colour words-

Red, yellow, green, blue, orange, pink

-again practise writing them in lots of ways. Writing the colour words in the correct colour is a good idea. You could hide the words in the garden and go on a hunt to find them all! Make a rainbow for your window but instead of colouring it in write the colour words lots of times in the right colour to fill the space.

Story- Elmer

Read the story a few times, the book is available on YouTube if you don't have a copy! Or try Librariesni.

Make puppets and retell the story - have puppet show and zoom or facetime your grandparents to cheer them up!

Write or draw pictures on the story mat. It would be brilliant if the children could write sentences on this to tell the story but I realise we normally print these out in A3 and this can't be done at home. Feel free to write captions on another page to match the pictures your child draws.

I've included pencil control sheets for extra practise.

## READING-

High frequency books 9-12 (in pack 2 sent home and just need folded)

Choose 1 book each day from the red section found below. If these are too difficult change to the pink book band level. You can do one from each group each day if you want.

[https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age\\_group=&level=book+band+2%3A+red&level\\_select=&level\\_select=book+band+2%3A+red&book\\_type=&series=#](https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=&level=book+band+2%3A+red&level_select=&level_select=book+band+2%3A+red&book_type=&series=#)

Reading games to extend reading ability

Books 1- 5 only at this stage <https://www.starfall.com/h/ltr-classic/>

## Maths

Counting to 100

<https://youtu.be/OTgLTf3PMOc>

Elmer counting activity

Measures- time home learning

Baby bear matching game

Measures- size home learning

Top marks- compare the size game

<https://www.topmarks.co.uk/maths-games/3-5-years/measures>

Practise counting out sets up to 10 using stones or sticks. Choose a different item to count and do this everyday for five minutes.

Extend by making 2 sets e.g a set of 5 and a set of 3, then put them together- how many now. Or by making a set that is 1 more than ? Or 1 less than? You can collect bottle tops, use cheerios, pasta shapes, daisies etc.

Another useful game

<https://www.starfall.com/h/addsub/add-machine-1/?sn=math1--math0>

## **World around us- animals**

Big and small cut and stick

Top trumps game

Make a junk Elmer out of a milk carton or another animal of your choice.
